*Will the Minister for Education be pleased to state the steps being taken by the Government to improve the standard of education and introduce a uniform education system in the country?*

**Sardar Aseff Ahmad Ali:** Under the current arrangements, implementation of policies, quality assurance and administration of education are provincial matters. Standard of education depends upon a variety of factors, such as teachers, curriculum, textbooks, assessment/ examination system, infrastructure, teaching learning environment etc. Moreover, uniformity of education system get influenced also by medium of instructions. New National Education Policy 2009 puts special emphasis on setting standard for education sector and overcoming structural divides in the country. To this end, major steps being taken by Ministry of Education and Provincial/ Areas Education Departments are given below:—

- (i) Teachers play vital role to ensure quality in any education system. Ministry of Education (MoE) along with Provincial Education Departments has started working on introducing accreditation and certification regime under Strengthening Teacher Education in Pakistan (STEP) project to improve the quality of teachers.
- (ii) Curricula of 39 subjects have been developed and notified until the end of the year 2009 and work on the remaining 43 curricula is at various stages to be completed before the end of year 2010.
- (iii) National Education Assessment System (NEAS) has been established, which provides regular feedback on the quality of education being provided by the public as well as private sector.
- (iv) Measures have also been taken to standardize examination systems by the various Boards of Intermediate and Secondary Education.
- (v) Special emphasis has been given in the upcoming National Education Policy 2009 to institutionalize standard based education in the country. Some relevant policy provisions are as under:—
  - o The curriculum development and review process shall be standardized and institutionalized.
  - o National standards shall be developed to reduce the differences in quality across regions.

- o A framework setting out the basic standards for school facilities and teaching aid materials shall be established by 2012.
- o Government shall develop and enforce minimum quality standards for organizations involved in literacy programs.
- o A National Education Standards Authority shall be established.

For introducing a uniform education system in the country, some additional recommendations made in National Education Policy 2009 are as follows:—

1. A common curricular framework in general as well as professional education shall be applied to educational institutions in both the public and the private sector.
  2. Governments shall identify schools in less developed areas for prioritisation in resource allocation and management for improving quality.
  3. Ministry of Education, in consultation with Provincial and Area education departments, relevant professional bodies and the wider public, shall develop a comprehensive plan of action for implementing the English language policy in the shortest possible time, paying particular attention to disadvantaged groups and less developed regions:
  4. The curriculum from Class I onward shall comprise of English (as a subject), Urdu, one regional language and mathematics, along with an integrated subject.
  5. English shall be used as the medium of instruction for sciences and mathematics from class IV onwards.
  6. Opportunities shall be provided to children from low socio-economic strata to learn English language.
  7. Federal, provincial and area governments shall develop joint strategies with main Madrassah systems, through consultations, to formally integrate market-oriented and skills-based subjects in the Madrassahs' curricula that would enable their children to have wider employment options.

75. **\*Mr. Saleem Saifullah Khan:** (Notice received on 23-06-2010)

*Will the Minister for Education be pleased to state whether it is a fact that Education Policy 2009 contains a proposal to give name to Library Professionals (Librarian. Assistant Librarian. Sub-Librarian, Library Asstt. as Library Teachers and Library Lecturers, if so, the steps taken by the Government in this regard?*

**Sardar Aseff Ahmad Ali:** National Education Policy 2009 contains a policy action to explore the option of librarians working in education institutions to be declared as library teachers and library lecturers.

After approval of the National Education Policy by the Cabinet in Sep 2009, Department of Libraries Islamabad and provincial / area education department were to prepare detailed proposals / working paper on the issue. However, the Department of Libraries (at federal level) has been advised to prepare detailed working paper on the subject for sharing it with the Provincial / Area Education departments and other stakeholders.

It may be mentioned that the new scheme of studies does not include Library Science as one of the elective subject under Humanities Group at Secondary Level (grades IX-X). However, the subject of Library Science is included as elective subject at Higher Secondary level (grades XI-XII).

76. **\*Mr. Saleem Saifullah Khan:** (Notice received on 24-06-2010 at 00:00 )

*Will the Minister for Education be pleased to state:*

(a) *whether it is fact that the Ministry of Education has recently upgraded various posts, if so, its details; and*

(b) *whether it is also a fact that the posts of (Librarian, Sub- Librarian and Librarian Asstt. were not upgraded, if so, its reasons and the time by which those posts will be upgraded?*

**Sardar Aseff Ahmad Ali:** (a) The Ministry of Education proposed up-gradation of some teaching and non teaching posts of educational institutions under Federal Directorate of Education, Islamabad. Establishment Division has accepted to upgrade / redesignate teaching posts of few grades subject to concurrence of the Finance Division which is under way.

(b) There is no proposal, to upgrade the post of Librarian, which is already in grade 17. However, Establishment Division was also requested to concur in the up-gradation of the posts of Sub-Librarian from BS-15 to BS-16 and Library Assistant from BS-09 to BS-14, which is still awaited. No time frame for up-gradation of above mentioned posts can be indicated by the Ministry of Education at this stage.

77. **\*Mr. Muhammad Ali Durrani:** (Notice received on 29-06-2010 at 09:16 a.m.)

*Will the Minister for Communications be pleased to state:*

*Will the Minister for Labour and Manpower be pleased to state:*

(a) *whether there is any proposal under consideration of the Government to send doctors to Saudi Arabia for employment, if so, its details,.*

(b) *the procedure to be adopted for the selection of the said doctors?*

**Syed Khursheed Ahmed Shah:** (a) It is the policy of the Government to encourage Doctors to proceed for employment to Saudi Arabia in private as well as public sector. However the demand for Doctors depends upon social and economic condition of Saudi Arabia. Recently delegation of Ministry of Health of Kingdom of Saudi Arabia visited Pakistan and made selection of 1795 medical Professionals through Overseas Employment Corporation and licenced Overseas Employment Promoters. That Ministry is contemplating to send another delegation for selection of Doctors to Pakistan after Eid ul Fitr.

(b) Ministry of Labour and Manpower issue the licences to Overseas Employment Promoters to conduct manpower export business and secure demands for employment abroad. The recruitment against the specific demands is made under the Emigration Ordinance and Rules 1979 made thereunder.

The criteria adopted in the selection of Doctors/Medical Professionals is briefly mentioned below:—

- (i) All the demands are advertised in the press as per job description given by the employer.
- (ii) After closing date of the advertise -ment, the foreign employers are informed about the number of applications received in response to advertisement.
- (iii) On receipt of interview schedule from the employers candidates are called for appearing before the foreign delegation for interview/test.
- (iv) The selection for employment abroad is carried out by the foreign employers themselves or through their authorized representatives, who have the sole discretion to make selection of their own choice from any part of the country.

(v) After completion of pre-departure formalities the selectees are dispatched to their work sites.
