After hearing the mover, the Honourable Chairman Senate held the motion in order and referred the same to the Committee for investigation and report. The committee discussed the motion in its meetings held on 26th August, 24th September, 24th October, 2nd December and 20th December, 2016. The mover and all officers/officials against whom the motion was moved were given ample opportunity to explain their position on the matter.

4. Senator Maulana Atta ur Rehman narrated the details of the incident and informed that on the night between 20th and 21st July, 2016, he was traveling from Dera Ismail Khan to Islamabad with some guests from China. When he reached at police

check post near Chashma Hydropower, he was stopped by a constable who asked for identity card which was shown to him. The constable asked him (the Senator) to go to SHO room for checkup. The Senator said that the behavior of the police officials was not appropriate due to which he tried to contact DPO Mianwali. The P.A. to DPO informed that the DPO was busy and would contact him (the Senator) later. However, the DPO did not contact him (the Senator) in spite of repeated calls and leaving messages. The Senator also stated that he did not want to move a privilege motion or to take any action in the matter but the SHO Kundian held a press conference in which he stated that the Senator misbehaved with the police officials and was not willing to prove identity or to show any card. The mover informed further that tickers were shown on T.V. channels regarding his (Senator's) alleged improper behavior with the police officials which was totally incorrect and uncalled for. The Senator was of the view that an effort was made to degrade him by making false statement in press conference and showing tickers on electronic media in this regard.

5. The Chairman Committee stated that the behavior of Punjab Police with the general public and public representatives was not appropriate. He said that the Police officials do enquire about the identity of persons and may carry out the search in order to combat terrorism but while performing such duties they should pay respect to the law abiding citizens. He suggested that appropriate training of the police officials should be conducted and they should be informed about the status of parliamentarians and the ways to deal with them. Regarding the case under consideration, he said that the mover of the motion, Senator Atta ur Rehman, is a well-known personality and there was no need to ask him to prove his identity. He was of the view that holding of conference, showing tickers on T.V. channels and leveling baseless allegations against the Senator was highly objectionable.

6. Mr. Mushtaq, ASI, narrated the incident and stated that one constable asked the Senator to go through search area and he did not misbehave. He informed that a lot of traffic from DI Khan and Khyber Pakhtunkhwa pass through that point. The vehicle of the Senator was in the mid of road due to which traffic was blocked. He also stated that the personal staff of the Senator threatened that all policemen alongwith DPO will have to come to Islamabad for apology.

7. The SHO, Kundian, stated that he did not hold any press conference. He was of the view that the people waiting in vehicles behind the Senator's vehicle may have sent the news about the incident to the media.
