4. Senator Sardar Muhammad Azam Khan Musakhel, Mover of the Bill briefed the Committee that in normal practice, either the university is established as a new or a Medical College is upgraded to the status of university. A number of examples can be cited in this regard, (King Edward Medical University, Lahore was established by

upgrading the King Edward Medical College), DOW University of Health Sciences was established by upgrading DOW Medical College / Sindh Medical College. The Khyber Medical University was established as new. The Liaquat Medical and Health Sciences was established by upgrading the Liaquat Medical College. The public sector hospitals are attached as teaching hospitals with the University but are administered and maintained by the respective provincial health departments. He stated that in the case of Shaheed Zulfiqar Ali Bhutto Medical University, the PIMS, a tertiary level hospital was upgraded to become a University which is an anomaly. He viewed that this anomaly in the Act has caused a great resentment in the three thousand strong work force of PIMS and public at large, the entire workforce is apprehensive about the hospital becoming a university, they are of the view that their status as a civil servant will be endangered which is detrimental to their interest. He added that many sections / sub-sections / clauses of the Act of SZABMU are conflicting to the Higher Education Commission / federal university ordinance which is the guiding force behind the establishment of any new university. He added that this Bill, therefore, seeks to remove the above stated anomalies in order to bring this Act at par with the HEC Federal Universities Ordinance, 2002 and other public sector medical universities.

5. The Secretary, CADD, briefed the Committee that the cognizance of the matter has also taken by the Prime Minister of Pakistan, who was pleased to approve the separation of PIMS from Shaheed Zulfiqar Ali Bhutto Medical University (SZABMU) in principle. Necessary amendments in the Law are underway as per prescribed procedure through the Law Division. He further stated that as per advice of Ministry of Law & Justice a meeting of all stakeholders was held on 6th January, 2017 under the Chairmanship of the Special Assistant to the Prime Minister on Law Division. The Law Division has prepared a comparative statement of the amendments proposed in the Shaheed Zulfiqar Ali Bhutto Medical University Islamabad Act, 2013 (XV of 2013), with the request to share these with the all stakeholders for their views. The said proposed amendments in the Act have been shared with the stakeholders. Their views once received, shall be conveyed to Law Division for further necessary action. The Vice Chancellor, SZABMU and the Additional Secretary, CADD opposed the bill.

6. After discussion in detail, Members of the Committee were of the view that bill under consideration has a number of flaws and Government has drafted a bill on the same subject matter with consultation of all stake holders, in this regard ✓

Committee directed to the Secretary, Ministry of CADD to expedite the process of the Government Bill to be introduced in the House for separation of PIMS and Shaheed Zulfiqar Ali Bhutto Medical University, Islamabad.

7. The Committee recommends that the bill titled "The Shaheed Zulfiqar Ali Bhutto Medical University (Amendment) Bill, 2016" as introduced in the Senate may not be passed by the Senate.

8. The bill as introduced in the Senate, is placed at Annexure-A.
