| v. | Mr. Zahid Hamid | Ex-Officio Member |
- Federal Minister for Climate Change

3. The agenda of the meeting was as under:-
- i. Consideration of "The Pakistan Climate Change Bill, 2017" referred by the House on 14th Feb, 2017.
 - ii. Any other item with permission of the Chair.

4. The meeting commenced with recitation of the Holy Quran by Secretary Ministry of Climate Change. Thereafter, the Chairman Committee, Senator Mir Muhammad Yousaf Badini welcomed, Mr. Zahid Hamid, Federal Minister for Climate Change, Secretary Ministry of Climate Change, Addl. Draftsman, Ministry of Law and Justice and other officers and officials who attended the meeting.

5. The Federal Minister for Climate Change, Mr. Zahid Hamid briefed the objectives of the Bill. He apprised the Committee that as per CoP 21 (Conference of Paris 21), it was decided that \$ 100 billion would be available for climatically affected countries in the world. He further informed that Pakistan is the 7th most affected country in the world in respect of climate change, while in terms of contribution to greenhouse gases Pakistan is ranked 135th in the world. So, in his view Pakistan could claim major chunk of the available money by submitting project highlighting the above factual position coupled with melting glaciers, fierce monsoon rains and changed climatic patterns. He further elucidated that the said amount could only be claimed when there is a

Q

proper project and executing institutions. So, by dint of this law both the purposes would be served, and above all precious lives could be saved.

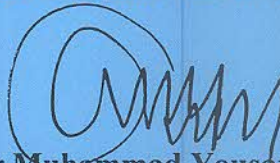

6. While discussing the clauses of the Bill, the Committee questioned the Members of Pakistan Climate Change Council, and suggested that there should be equal representation of all the provinces. The Chairman Committee also objected that local people would know better of their areas and would have deep insight into the local problems/areas. Mr. Zahid Hamid, Federal Minister for Climate Change, replying to the objection stated that the Council will only devise plan while the implementation would be through the provinces. He also ensured that Members would be selected on non-political basis and it includes representatives of Chambers of Commerce and Industry, non-governmental organizations concerned with Climate Change, scientists, researchers, technical experts and educationists concerned with Climate Change. The Committee supported the spirit of the Bill, and applauded the hard work of the Federal Minister for Climate Change. So, the Committee recommended that the House may pass "The Pakistan Climate Change Bill, 2017" as passed by the National Assembly.
