Overall, the Mufti-e-Azam University envisions an institution that inculcates in its students the well-grounded roots of Islam in the light of Quran and Sunnah to respect humanity and social justice and to contribute in the society with their research in scientific fields. It seeks to cultivate individuals who are intellectually curious, morally upright, and committed to innovations leading to inventions. It is important to establish an Islamic University at Islamabad to provide high quality comprehensive educational opportunities to changing needs of the students, therefore, the bill is introduced, which aims at providing a charter for the establishment of Mufti-e-Azam Islamic University, Islamabad and to regulate its faculties, staff and students.

possible and in case of non-obtainment the said NOC within one year of the passing of the law, the Charter should be revoked.
