| (iii) | Finance Division Representative | Member |
| (iv) | Chairman, Pakistan Science Foundation | Member |
| (v) | One (Four) Head of Medical College/University (Institution)
(from each Province and Gilgit/Baltistan) where PMRC
Research Centers are located to be nominated by Provincial
Government | Member |
| (vi) | Executive Director, PHRC | Member/
Secretary |

10. Functions of the Executive Committee.- (1) Subject to the provisions of this Act and the rules and regulations made there under and the general or special directions of the Board, the Committee shall be the principal administrative body of the Council responsible for executing all policies and discharging all functions of the Council under this Act;

(2) Notwithstanding the provision sub-section (1), the Executive Committee Shall,-

- (i) undertake regular review and evaluation of the research projects and the program to be launched and implemented by the Council; and
- (ii) execute the administrative, financial and research activities of the Council.

11. Technical Advisory Committee.- (1) There shall be a Technical Advisory Committee which shall consist of eight members including the Executive Director to be appointed by the Board. The Chairperson of the Committee shall be appointed by the Board.

(2) The members of the Committee shall be appointed on the basis of their experience in

health related fields.

- (3) The term of membership of the members shall be three years.
- (4) The meetings of the Committee shall be convened as and when required.

12. Functions of the Technical Advisory Committee. – (1) The functions of the Technical Advisory Committee shall be,-

- (a) to recommend to the Board through Executive Director research and development program and strategic plans of the Council along with budget estimates of these activities;
 - (b) to review outcome of research supported by the Council and to suggest methods for the utilization of the research by the health and other related sectors;
 - (c) to render advice and report on any technical matter referred to it by the Council;
 - (d) to identify and recommend to the Board through Executive Director suitable candidates as fellows, scholars and associates;
 - (e) to recommend to the Board appropriate policies for the support of the research activities undertaken by the Council including policies relating to inter-institutional relationship; and
 - (f) to act as a primary medium of communication between the Council and the research and academic community, informing the Board of issues, problems and research opportunities and in turn, helping to foster understanding within the research and academic community of the Council's aims and activities.
- (2) The committee with the approval of the Board makes regulations to carry out its functions.

13. Finance and Resource Development Committee.- (1) The Board shall appoint a Finance and Resource Development Committee consisting of four members which shall-

- (a) make recommendations to the Board on all financial matters of the Council including plans for resources development;
- (b) propose Council's budget to the Board;
- (c) prepare a report on financial aspects of the Council and submit the same to the Board through Executive Director; and
- (d) monitor implementation of plans duly approved by the Board for resources development.

14. Executive Director.- (1) The Executive Director shall be the Chief Executive of the Council, having qualifications and experience as may be prescribed, who shall be appointed by the Federal Government on the recommendations of the Board.

(2) The terms of office of the Executive Director shall be five years extendable for another term on the basis of performance.

(3) The Executive Director shall be responsible to the implementation of the decisions of the Board and he/she shall also administer the budget of the Council.

15. Validity of proceedings.- No act, proceedings or decisions of the Board, or any Committee, shall be invalid by reason only of the existence of a vacancy in, or any defect in the constitution of the Board or, as the case may be, the Committee.

CHAPTER-V.- FINANCE AND RESOURCE DEVELOPMENT

16. Establishment of Medical Research Fund.- (1) There shall be established a fund to be called the Medical Research Fund which shall be non-lapsable. All receipts of the Fund shall initially be credited to the Fund. The amounts for the expenditures related to the operation of the Council shall be drawn from the Fund as may be prescribed.

(2) The Fund shall have the following sources, namely:-

- (a) donations, contributions, subscriptions, aid and grants made by the donors;

- (b) aids, grants or other form of assistance by the Federal Government or a Provincial Governments or any of the foreign Government, national and international institutions, organizations and agencies;
- (c) fees, subscriptions, charges and any other payments for any service rendered, such as training, institutional consultancies, sale proceeds, royalties on publications, commission and receipts from any other source; and
- (d) income from any investment and deposits.

17. Endowments.- (1) The Council shall arrange funds for creating an endowment fund. The Council shall invest this fund and savings from other sources in any security approved by the Federal Government to create income to be utilized for funding the Council's program. The income so received shall be utilized up to a maximum of fifty percent and the balance fifty percent shall be reinvested to offer protection for the endowment from complete erosion due to inflation. The distribution of the income from the endowment for the fiscal year from July 1st to June 30th shall be based on the value of the total income received up to 31st day of December of the calendar year preceding the fiscal year.

(2) The Council shall make rules for endowment fund for the administration, payment procedure, financial powers and investment of the fund. These rules shall require approval of the Finance Division after approval by the Controller- General of Accounts.

18. Accounts and audit.- (1) The Head of Finance Department of the Council, as may be prescribed, shall submit annual financial statements to the Finance and Resource Development Committee which shall make its recommendation to the Board. These statements shall include the estimated receipts and expenditure and the sums which are likely to be received for the coming financial years.

(2) After the commencement of this Act, the Council shall frame a detailed accounting procedure for maintaining of its accounts after its approval from the Office of the Controller General of Accounts and the Ministry of Finance.

(3) The Fund shall be kept in the Personal Ledger Account of the Council with the National Bank of Pakistan.

(4) The accounts of the Council shall be audited by the Auditor General of Pakistan on yearly basis.

CHAPTER-VI.- MISCELLANEOUS

19. Quorum for meetings of the Committees.- The quorum for the meetings of all the committees shall be one-half of their total membership. All decisions shall be taken with majority votes of the members present and in case of difference of opinion, the person presiding over the meeting shall have casting vote.

20. Officers and employees of the Council.- (1) The officers and employees who were appointed on regular basis in the Pakistan Medical Research Council before its reconstitution and reorganization as Pakistan Health Research Council shall stand transferred and absorbed into, and become employees of the Council:

Provided that the civil servants appointed on deputation in the Pakistan Medical Research Council before its reconstitution and reorganization as Pakistan Health Research Council shall upon their transfer to the Council continue to be governed by the Civil Servants Act, 1973 (LXXI of 1973), except those who may opt for absorption in the employment of the Council in pursuance of sub-section(2).

(2) A civil servant appointed on deputation in the Pakistan Medical Research Council shall be given right to exercise option for such absorption within a period of six months of the commencement of this Act.

21. **INDEMNITY.-** No suit, prosecution or other legal proceedings shall lie against the Council, any member, officer or staff of the Council for anything done or intended or purported to be done in good faith under this Act or the rules made there-under.

22. **Power to make rules.-** The Federal Government may, by notification in the official Gazette, make rules for carrying out the purposes of this Act including rules to regulate the financial and administrative matters related to the Council.

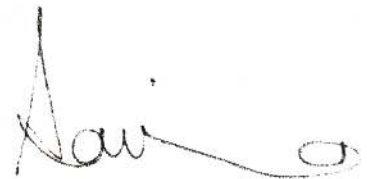

23. **Removal of difficulties.-** If any difficulty arises in giving effect to any provision of this Act, the Federal Government may make such order, not inconsistent with the express provisions of this Act, as may appear to it to be necessary or expedient for the purpose of removing the difficulty.

GOVERNMENT OF PAKISTAN
Ministry of National Health Services, Regulations &
Coordination

**Statements of Objects and Reasons: Promulgation of Pakistan
Health Research Council Act**

The Pakistan Medical Research Council (PMRC) is an autonomous organization established under Resolution bearing SRO No. 332 (K) 62, dated 17.03.1962 and was reconstituted by Resolution No. 3(2)84-PMRC dated 14.07.1985.

2. Supreme Court of Pakistan in appeal No. 154 of 1988, directed that bodies set up through Resolutions are not bodies corporate, but are Government departments and their employees are civil servants. In order to give legal status of bodies corporate, Establishment Division issued a procedure for implementation by the concerned Ministries/Divisions.
3. In order to carry out its mandate and academic based research pursuits effectively, the erstwhile Ministry of Health agreed that PMRC should continue as an autonomous organization. However, it may be re-named as the Pakistan Health Research Council (PHRC). The Management Services Wing of the Establishment Division has also agreed to the re-constitution of PMRC as PHRC with a legal status of body corporate through an Act of the Parliament. Consequently, the bill has been prepared.
4. The bill seeks to achieve the aforesaid objects.

Mrs. Saira Afzal Tarrar
Minister of State
