STATEMENT OF OBJECTS AND REASONS

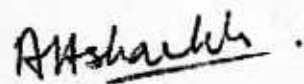

CORPORATE RESTRUCTURING COMPANIES BILL, 2020 (IX OF 2020)

The existing institutional arrangements and legal processes for revival and rehabilitation of distressed entities are time consuming and inadequate, which make the rehabilitation of distressed entities challenging. Moreover, the existing Corporate Restructuring Companies Act, 2016 does not have provisions to facilitate Corporate Restructuring Companies (CRC) to carry out their operations smoothly.

2. The Corporate Restructuring Companies Bill 2020 (Ordinance No.IX of 2020), inter alia, will make the CRCs operate efficiently, acquire the Non-Performing Assets (NPAs) from the Financial Institutions easily, raise funding for acquisition of NPAs through segregation risks & rewards and extend financing facilities for carrying out the purposes of the Act.

3. The Bill, considering the Government's objective of reviving the distressed economic assets of the country, will also enable the CRCs to reach compromise with the distressed entities promptly.

4. The Bill is designed to achieve the aforesaid purpose
