STATEMENT OF OBJECTS AND REASONS

Higher education in emerging sciences is the need of the day which can be imparted only through striving for the same by both public and private sector. Therefore it is important to establish an institute in private sector to provide high quality and comprehensive educational and training opportunities that are compatible to changing needs of the students. Through its academic programs, like Professional Technologies, Management Studies, Social Sciences & Humanities, the Institute will prepare its students for the challenges of the 21st century and will empower them to meet the rapidly changing world. This Bill aims at providing a charter for the establishment of Harbour Institute of Management, Sciences and Technology, and to regulate its faculties, staff, and students with enabling environment and infrastructure to help them develop potential for scholarship, creative work, professional realization, and service.

The Bill has been designed to achieve the aforesaid objectives.
