Will the Minister Incharge of the President's Secretariat be pleased to state the budget allocated for the President's Secretariat during the last two fiscal years and details of its utilization with head-wise breakup?

Minister Incharge of the President's Secretariat: The reply is at "Annexure-A".

***Question No. 98. Senator Muhammad Talha Mehmood:**

(Notice received on 01-02-2016 at 09:00 a.m.)

Will the Minister for Petroleum and Natural Resources be pleased to state:

- (a) *whether it is a fact that the Sui Northern Gas Pipelines Limited gave its shares to its employees some years ago, if so, the value and other details of shares provided to each employee; and*
- (b) *the criteria adopted for giving those shares and the basis on which the same were given?*

Mr. Shahid Khaqan Abbasi: (a) Sui Northern Gas Pipelines Limited has reported that the company gave 12% ordinary share valuing Rs. 10/share held by Government of Pakistan.

(b) All eligible permanent employees and contractual employees (having minimum five years of service) will be offered 12% shares on the basis of years of service completed, which will determine their entitlement proportionate to their length of service. The contract employees with less than five years of service, employees working with (State Owned Enterprises) SOEs on deputation or on daily wages will not be eligible to participate in the Scheme.

All eligible employees on the payroll of the Company as on August 14, 2009 would qualify for this scheme. Six months and above would be treated as a complete year of service. Minimum one unit would be allocated to each eligible employee.

One unit will be allocated for each completed year of service with a maximum of twenty (20) units for any employee. No distinction is made between executives and workers for purpose of the scheme.

***Question No. 104. Senator Mohsin Aziz:**
(Notice received on 08-02-2016 at 01:00 p.m.)

Will the Minister for Housing and Works be pleased to state:

- (a) *the criteria laid down for allotment of Government accommodations to the Government employees;*
- (b) *the period for which a Government employee can retain the said accommodation allotted to him after retirement; and*
- (c) *the action which the Ministry takes against the allottees who rent out / sublet the Government accommodation fully or partially?*

Mr. Akram Khan Durrani: (a) The allotment of Government accommodation to the Government employees is made on maturity of their turn on GWL. However, the allotments are also transferred from the name of outgoing allottee to his eligible son/daughter or spouse under rule 15(1) & 15(2)(b) of Accommodation Allocation Rules, 2002.

(b) Government employee can retain allotted accommodation only for a period of one year or six months on the event of his death during service / retirement under Rule 15(1) & (2) of Accommodation Allocation Rules, 2002.

(c) Allottees who found guilty of subletting their quarters, their allotment orders have been cancelled from their name under rule 16 of AAR-2002.

***Question No. 105. Senator Farhatullah Babar:**
(Notice received on 09-02-2016 at 12:45 p.m.)

Will the Minister for Housing and Works be pleased to state:

- (a) *the names, designations, grades and place of domicile of the persons working in Federal Lodge, Peshawar on regular, contract and daily wages basis; and*

- (b) *whether it is a fact that the said persons are not being paid their salaries in time on regular basis, if so, the reasons thereof and the date on which they were last paid their salaries?*

Mr. Akram Khan Durrani: (a) The detail of name, designations, grades and place of domicile of the persons working in Federal Lodge, Peshawar on regular, contract and daily wages basis is Annexed-A in English & Annexed-B in Urdu Versions.

(b) The salaries of Federal Lodge staff are always being paid as per availability of required funds. As far as the non-payment of salaries regularly to lodge staff is concerned, matter has been streamlined upto the maximum extent. However, the issue if occurred was purely due to non-availability of funds in relevant head of account as Finance Division releases fund in piece meal. The F.G. Lodge staff salaries have been paid on 1st February, 2016.

*Question No. 108. **Senator Baz Muhammad Khan:**
(Notice received on 12-02-2016 at 12:50 p.m.)

Will the Minister for Housing and Works be pleased to state the time by which the development work will be started in Sector G-14 /1, 2 & 3, Islamabad and possession of plots will be handed over to the allottees?

Mr. Akram Khan Durrani: The development work of Sub-Sector G-14 / 2 & 3 was started in September, 2012. Initially, the development work was awarded to M/S NCL with the approval of Executive Committee / Board of Directors of Housing Foundation. M/S NCL did not carry out the development work despite the laps of considerable time. Consequently, the same was handed over to M/S ASCO with the approval of Executive Committee/Board of Directors of Housing Foundation who is presently working at site. Initially, 29% of the area in Sub-Sector G-14/2 & 3 was handed over to M/S ASCO for development work. Later on, further 56% of the vacant area in Sub-Sector G-14/2 & 3 has also been handed over to M/S ASCO. With regard to possession of plots, it is also relevant to mention here that land acquisition process of Sector G-14/1 & 2 Islamabad is in progress. The assessment of built up property in Sector G-14/1 and remaining area in G-14/2 is also in progress. As and when the assessment of built up property in Sub-Sector G-14/1 & 2 is completed, the development work in these areas will also be started. Possession of plots shall be handed over to the allottees after completion of infrastructure development work accordingly. Efforts are being made to complete the task at the earliest.

*Question No. 109. **Senator Muhammad Daud Khan Achakzai Advocate:**
(Notice received on 12-02-2016 at 03:50 p.m.)

Will the Minister for Water and Power be pleased to state:

- (a) *whether it is a fact that Nandipur Power project has become operational, if so, the quantum of electricity being generated by the plant on daily basis and per unit cost of the same; and*
- (b) *whether there is any proposal under consideration of the Government to convert the said plant to gas, if so, the estimated time required for conversion and per unit cost of electricity in case the same is converted to gas?*

Khawaja Muhammad Asif: (a) 425 MW Combined Cycle Power Plant, Nandipur has achieved its COD (Commercial Operation Date) *w.e.f* 23-07-2015.

Since COD of the Plant, the average daily generation from the Nandipur Power Plant is 3.48 MWh which is based on the actual operational requirements of the Power Plant.

NEPRA has determined the levelized Reference Tariff of Nandipur Power Plant as Rs. 11.63611kWh. However, as the price of fuel, being pass through item, has been reduced considerably the current generation cost is Rs. 6.66 per kWh.

(b) The scheme for the conversion of Nandipur Gas Turbines to gas fuel is the part of Revised PC-I (approved in July 2013). This included the installation of gas conversion equipment on Gas Turbines by the OEM (M/S General Electric) and laying of pipeline & other related equipment inside the Power Plant.

Regarding the first part, Work Order on M/S General Electric has already been placed for the installation of the gas conversion equipment on three (03) Gas Turbines and the material has been partially supplied. Whereas, for the laying of in-house pipeline, installation of gas pressure booster station and other balance work of gas conversion system in the Power Plant is under the process of procurement.

Apart from the above, for laying of dedicated gas pipeline from Qila Sattar Shah (Sheikhupura) to Nandipur Power Plant, an upfront amount of Rs. 2 Billion has been paid to SNGPL for getting the work done on deposit work basis.

It is expected that the gas conversion work will be completed by the end of Year 2016.

The cost of electricity generation on gas fuel, as per NEPRA determined levelized reference Tariff will be Rs.10.3157/kWh. However the final unit cost will depend on the price of LNG at the time of usage after conversion. However, at the current LNG price, it would be around Rs. 5.6 per kWh.

*Question No. 110. **Senator Ahmed Hassan:**
(Notice received on 15-02-2016 at 10:30 a.m.)

Will the Minister for Petroleum and Natural Resources be pleased to state:

- (a) *the amount allocated and released for the project of supply of natural gas to Dara Adam Khel, FR Kohat, during the fiscal year 2015-16; and*
- (b) *whether it is a fact that work on the 'Distribution Network' of the said project has not yet been started, if so, the reasons thereof and the time by which the same will be started and completed?*

Mr. Shahid Khaqan Abbasi: (a) SNGPL has reported that no funds have been allocated/released for the project of supply of natural gas to Dara Adam Khel, FR Kohat during the fiscal year 2015-16.

(b) The company further reported that it is a fact that work for laying of distribution network has not yet been started due to severe resistance from the locals as they think that the locals of remaining villages will start obtaining off-takes from the already laid supply main on their own, and menace of illegal pipeline network will spread like a virus in the tribal area of Dara Adam Khel. The work will be started if all the elders of Dara Adam Khel are agreed and under the patronage of Political Agent through a written assurance to SNGPL that the remaining villages will not obtain illegal network and those covered in the approved meterage will pay their monthly gas bills regularly.

*Question No. 111. **Senator Ahmed Hassan:**
(Notice received on 15-02-2016 at 10:30 a.m.)

Will the Minister for Water and Power be pleased to state:

- (a) *whether it is a fact that electricity to the sector G-10/3, Islamabad is being supplied from the grid station situated in sector I-9, if so, the reasons thereof;*
- (b) *whether it is also a fact that the said grid station is overloaded due to which there is frequent break downs of electricity in the said sector; and*
- (c) *whether there is any proposal under consideration of the Government to link that sector with some other grid station nearer to it for supply of electricity, if so, when?*

Khawaja Muhammad Asif: (a) Electricity supply to Sector G-10/3 Islamabad is being provided from 132 KV Grid Station situated in Sector I-10/3, Islamabad which is comparatively nearer from other Grid Stations.

(b) The said Grid Station is not over loaded as indicated from the loading position mentioned below:—

Power Transformer	Capacity of Power T/F MVA	T/F Amps	Maximum load Recorded (Amps)	%age loading

T-1	31.5/40	2009	1570	78.14
T-2	20/26	1'305	1230	94.25
T-3	31.5/40	2009	1710	85.11

The 11KV G-10/3 feeder is emanating from T-3 Power T/F and has recorded 160 Amp. load as maximum during 6/2015. There are no reports of break downs due to overloading of the Grid Station in the said area.

(c) No proposal is under consideration for shifting of the 11kv G-10/3 feeder to other Grid Station.
