SENATE SECRETARIAT

_____

"QUESTIONS FOR ORAL ANSWERS AND THEIR REPLIES"

to be asked at a sitting of the Senate to be held on

Thursday, the 19th May, 2016

*Question No. 167. **Senator Muhammad Mohsin Khan Leghari:**
(Notice received on 15-03-2016 at 09:25 a.m.)

Will the Minister for Communications be pleased to state:

(a) the length of National highways built, operated and maintained in the country since the year 2000 with year wise and province wise break up;

(b) the number of toll plazas established on the said highways and the amount collected from the same during that period with year wise and province wise break up; and

(c) the amount spent on the maintenance of those highways during the said period with year wise and province wise break up?

Minister for Communications: (a) The length of NHA network has gradually increased from 8,690 km (year 2000) to 12,131 km at present. NHA is maintaining 33 x national highways / motorways / strategic roads. The province wise break up of road length maintained each year since 2002-03 is as under:

(b) Presently 75 x toll plazas are operational on National Highways as per detail given belllow:—

(i) Manual Toll Plazas 65

(ii) ETTM Toll Plazas 10

Total Toll Plazas **75** ***(Annex-A)***

However, year-wise and province-wise breakup of toll revenue collected from 2000 to 2016 against above mentioned toll plazas is attached at **(Annex-B).**

(c) In FY 2000-01 and 2001-02, the maintenance funds were provided to provinces as per request made by NHA regional offices based on their requirements. Since FY 2002-03, NHA prepared an Annual Maintenance Plan and allocates funds for maintenance and improvement of its network. In addition to routine and emergency maintenance, the road sections are selected for overlay and rehabilitation based on their codition. An amount of Rs. 132 billion has been allocated for maintenance of NHA network during FY 2002-03 to FY 2014-15. The year-wise and province-wise summary is as under:

Will the Minister for Communications be pleased to state:

(a) whether there is any proposal under consideration of the Government to construct road form Sukkur to Gawadar, if so, the estimated cost of the project;

(b) whether the said road will be constructed by the Government at its own or under the China-Pakistan Economic Corridor; and

(c) the time by which work will be started and completed on the said project?

Minister for Communications: (a) The CPEC route from Sukkur to Gwadar shall use major part of existing network and segments of M-8 presently under construction. This route extends to already existing Sukkur-Shikarpur from where it reaches Ratodero (both sections are part of Indus Highway N-55) and then using Motorway M-8 it shall reach Gawadar *via* Wangu Hills, Khuzdar, Basima, Panjgur, Hoshab, and Turbat. M-8 is included in the western route of CPEC. Estimated cost of M8 project is Rs. 2,3169 Million.

(b) The segments of the road from Sukkur to Shikarpur and shikarpur to Ratodero are already constructed. The portions of M-8 comprising CPEC are under construction and being funded by GOP.

(c) The under construction M8 project is likely to be completed by late 2016.

*Question No. 171. **Senator Muhammad Mohsin Khan Leghari:**
(Notice received on 24-03-2016 at 01:00 p.m.)

Will the Minister for Communications be pleased to state the date of approval of the project for dualization of the Muzaffargarh-Dera Ghazi Khan road (N-70) indicating also the original estimated cost of the project, the amount released and utilized on the same so far with year wise break up and the time by which it will be completed?

Minister for Communications: The project for Up-gradation/Dualization of Multan-Muzaffargarh - D.G. Khan section of National Highway N-70 is not yet approved as National Highway Authority (NHA is executing the project on Build-Operate-Transfer (BOT) basis. Tentatively, Concession Agreement shall be approved and signed by end of April, 2016.

Project Cost is Rs. 9,345.00 million (Rupees nine thousand three hundred and forty five million only). The project cost is to be arranged by the Concessionaire under BOT arrangement, hence no PSDP funding is involved.

An amount of Rs. 250.00 million has been allocated in PSDP 2015-16, which shall be used for land acquisition. So far nil amount has been utilized out of this PSDP allocation.

The project shall be completed within two (02) years, after achievement of financial close.

*Question No. 174. **Senator Mohammad Azam Khan Swati:**
(Notice received on 08-04-2016 at 09:40 a.m.)

Will the Minister for National Health Services, Regulations and Coordination be pleased to state whether there is any proposal under consideration of the Government to set up new hospitals in Pakistan with the help of foreign countries, if so, the details thereof?

Mrs. Saira Afzal Tarar: There is a proposal under consideration of the Government to set up new hospitals in Pakistan with the help of foreign countries. Government of Bahrain has offered to establish a Medical University along with organ transplant facility in Islamabad.

However, there may be other proposals under consideration in Planning Commission/ICT/CADD. They may also be requested to respond.

*Question No. 175. **Senator Mohammad Azam Khan Swati:**
(Notice received on 11-04-2016 at 11:02 a.m.)

Will the Minister for National Health Service, Regulations and Coordination be pleased to state:

(a) the number of cases registered for manufacturing of spurious and substandard drugs in the country during the last two years; and

(b) the steps taken by the present Government to control manufacturing of spurious and substandard drugs in the country?

Mrs. Saira Afzal Tarar: (a) The Federal and provincial Governments after analysis of 85146 samples of suspected drugs during the last two years and registered/processed 409 cases for spurious drugs and 1235 substandard drugs.

(b) The Federal government has taken strict action to control manufacturing and eradication of spurious and substandard medicines in the country.

Steps taken for eradication of Spurious and substandard medicines in the country

1. More than 4000 prosecutions were launched in the drug courts (established by the Federal Governments u/s 31 of the Drugs Act, 1976) during the year 2015. More than 1600 hundred cases were decided by the courts and more than 40,000,000 Rs. fine was imposed by the drug courts.

2. The DRAP suspended the production activities of 20 firms and 18 were served show cause notices on non compliance of cGMP.

3. Recently the DRAP through Registration Board meetings suspended/ cancelled the registration of 41 drugs.

- In February 2016 the FID Karachi, Mr. Abdul Rasool Shaikh visited the market in Sindhi Muslim Housing Society Karachi and recovered unregistered Capsules Reap purported to be manufactured by M/s Everest Pharmaceuticals, Islamabad.

- On 15-02-2016 and 16-02-2016 FID Lahore-III, Ms Aisha Irfan, visited the market under her area jurisdiction to check the availability of unregistered medicines. The FID recovered 19 tablets of unregistered tablet of Everlong, Batch No. 449, from M/s Hafeez Sons Medicine Company Opposite DHQ Hospital Lahore Sargodha Road Sheikhupura. The recovered tablets have been seized by the FID for investigation.

- The FID Lahore, Mr. Ajmal Sohail Asif in February 2016 visited M/s Fazal Din Pharma Plus, Main Market Gulberg II Lahore and found one pack of unregistered M plus tablet. Then he visited M/s Ahbab Pharma Distributor Gulberg III Lahore and found 96 packs of unregistered M-plus (Montelukast+ Levocetirizine 2HC1.) tablets purported to be manufactured by M/s Everest Pharmaceuticals. He took the samples for test/analysis and sent to the Central Drug Laboratory Karachi.

- The FID Lahore in joint activity with FIA and Punjab health department on 06-01-2016 raided in various drug sale points and recovered and seized the drug which was donated by USAID to the Pakistan along with other drugs. The accused persons were arrested and are under investigation by the FIA.

  FID Islamabad has recovered smuggled medicines on 17-12-2013. Two persons were arrested. The culprits were sent behind the bar. The Drug Court sentenced nine months imprisonment and a fine of Rs.100, 000/- to each culprit. Raids were conducted on 01-12-2014 on Khalid Pharmacy, DHA, Lahore and huge quantities of unregistered/ smuggled/ unwarranted medicines were recovered. The case was referred in Drug Court Lahore for prosecution against the culprits.

- The FID Lahore conducted a raid on 26-11-2015 at the premises of Mono distributor satellite town Sargodha and recovered 53 packs unregistered medicines (Everlong Tablet). Provincial Inspector was also present during that raid. The matter is under investigation while the firm (M/s Everest Pharmaceuticals Islamabad) is under trial in the Court.

- On the information of DRAP office Islamabad, the provincial Drug Inspector team of the DRAP conducted a raid on 24-11-2015 at the premises of Pharma distributor Shamas abad Multan and recovered 300 packs unregistered medicines (Everlong Tablets). Manufactured by Everest Pharmaceuticals Islamabad. The matter is under investigation while the firm (M/s Everest Pharmaceuticals Islamabad) is under trial in the Court.

- Raids were made on medical store near NIH, Islamabad on 18-09-2015 where un-registered drugs were recovered and stocks were seized with higher than approved prices. The case has been filed and is under investigation.

- The FID Peshawar has conducted a raid and recovered "Super Skoon Tablets" 07th August 2015 which were declared "un-registered" by the Federal Government Analyst, Central Drugs Laboratory, Karachi. The case is under prosecution.

- A raid was conducted at Peshawar from where un-registered drug namely "Afex-M Capsuls" 30th July 2015 was recovered. The case is under prosecutions.

- A raid was conducted on a licensed pharmaceutical unit in Islamabad on 27-02-2015 which was involved in manufacturing of un-registered drugs. The culprits were arrested and matter is under prosecution.

- The FID Lahore has conducted a raid on Chaudhary Medicine, Multan Road Lahore on 28-11-2014 where un-registered drugs were recovered. The case is under prosecution.

*Question No. 176. **Senator Mian Muhammad Ateeq Shaikh:**
(Notice received on 12-04-2016 at 02:45 p.m.)

Will the Minister for National Food Security and Research be pleased to state:

(a) whether it is a fact that farmers have been using non-certified seeds for growing potatoes in the country, if so, the reasons thereof; and

(b) whether there is any proposal under consideration of the Government to develop a crop rotation system and cyst resistant seed verities of potato in the country, if so, the details thereof?

Mr. Sikandar Hayat Khan Bosan: (a) On an annual basis, 10,000 to 15,000 tonnes of high quality certified seed to grow potato crop is imported from Holland which is further multiplied by the national seed companies and then distributed to the farmers. Currently, the volume of certified seed potato is low. Reasons for non-availability of sufficient certified seed potato in the country are as follows;

(i) Potato varieties imported from Holland are popular among farmers.

(ii) Farmer choice potato varieties have not been developed locally in the country.

(iii) Punjab Seed Corporation has curtailed production of local seed potato because of popularity of imported potato varieties of Holland.

(b) Crop Rotation Systems are difficult to implement for management of Potato Cyst disease in particular. Sante and Cardinal are Cyst resistant potato varieties already being grown in Central Punjab.
