RESOLUTION NO.431

"This House shows deep concern on the 10% reduction in the budget of Higher Education Commission during the current fiscal year as against the last fiscal year which coupled with 20% inflation and depreciation of Pakistani Currency increases to critical level.

The House deplores that as against the demand of Rs. 103 billion, latter revised to Rs. 84 billion, made by the Universities Grants Commission for the current fiscal year the Government only allocated Rs. 59 billion which has resulted in financial crisis in the Universities.

The House recognizes that higher education is the right of every citizen and the provision of the same is the fundamental and constitutional responsibility of the State and the Government.

The House, therefore, demands that the Government should take immediate steps to provide Rs. 21 billion more to the HEC in order to enable the Universities to overcome their financial crisis."
