## **RESOLUTION NO.439**

"Whereas it is a fact that Multan-Sukkur Motorway no interchange has been provided in Tehsil Sadiqabad to connect 1.1 million population of the Tehsil thereby forcing them to use the distant Guddu Interchange in Sindh Province or travel 60 kms back to Iqbalabad Interchange in District Rahim Yar Khan;

Recognizing that District Rahim Yar Khan has been provided connectivity to this Motorway through three interchanges at different places, depriving the entire Tehsil of Sadiqabad of the connectivity to Motorway by non-provision of an interchange is a clear discrimination and denial of social and economic rights to the people of Sadiqabad;

Realizing that Pakistan's largest gas processing and supply project i.e. Pak-Qatar LNG project has been established in Village Bhong, Tehsil Sadiqabad, and the famous Bhong Mosque, famous tourist site is also located there, non-provision of connectivity to the motorway will adversely affect the economic viability and potential benefits of the said project and the tourist spot in that Tehsil;

Therefore, in view of the social and economic importance of the area, this house recommends that the Government should take immediate steps for the construction of an Interchange at village Bhong, Tehsil Sadiqabad, District Rahim Yar Khan at the Multan-Sukkur Motorway."
