The Senate of Pakistan resolutely rejects the Indian illegal attempt to annex Occupied Kashmir and urges the International community to uphold the United Nations Resolutions that guarantee the Kashmiri people's inalienable right of self-determination.

The senate of Pakistan demands that Prime Minister Modi and his RSS cohort who have unleashed a reign of terror on the unnamed and defenceless people, children, women and men of Indian Occupied Kashmir be tried for crimes against humanity.

The People of Pakistan, Government and Parliament will always stand firm like a rock with their Kashmiri brothers and sisters in their just cause until the resolution of this conflict according to the wishes of the Kashmiri people.

India's belligerence is a grave threat to both regional peace and global stability. International community must take note as well as action against this open repudiation of UN resolutions.
